

Voghera, September 15th 2025

Object: INTER AIRPORT EUROPE - 25th Driving the Future of Airport Innovation.
Munich Trade Fair Centre, Germany 07-09 October 2025

We are pleased to invite you to “**INTER AIRPORT EUROPE**” in Munich, the most important European exhibition for Airport Equipments and technologies, on 07th - 09th October 2025.

We will exhibit in our stand in the Italian Pavilion Isle B6-524a the innovative technologies that RODECO Group has developed on the Maintenance and Rehabilitation of Airport Pavements and PMS (Pavement Management System) applied on several International Airports:

- **Airport Pavement Management System (APMS)** recently implemented in several international airports;
- **Airport Pavement Inspection by New Automatic ROBOT Technology combined with AI** Data Intelligent Processing Methods;
- **Asphalt and Concrete Pavement Preventive Maintenance and Rehabilitation**;
- **Pavement Friction Improvement** by RODECO Technology;
- New **RRR® RUNWAY Rapid Repair Technology** developed by RODECO Group.

Herein attached you find our brochure “RODECO GROUP AIRPORTS”.

Don't hesitate to contact us for any information you may need (rodeco@rodeco.it - [tel. +39 0383213532](tel:+390383213532)), looking forward to meeting you in Munich.

Best regards
